## NEWS AND VIEWS

### **Wausau Skeet & Trap Club Youth Trap Program – Register Now!**

Each spring our club provides a trap shooting program for local youth grades 6 to 12. Students compete based on age and experience level virtually within the 10-team Great Northern Trap Conference. All league shooting is done at Wausau Skeet & Trap Club and a state-wide competition is held at the ATA (Amateur Trapshooting Association) Homegrounds in Rome, Wisconsin. Program is held at the club on Sundays from 1:00 pm to 3:00 pm March 17 through May 26, 2024.

The program is governed by the Scholastic Clay Target Program (SCTP) which provides certified coaches and nationwide shooting competitions. All target fees, ammunition and safety equipment is included. Student athletes are encouraged to bring their own 12 or 20 gauge shotgun, otherwise, guns will be provided. Registration fee is \$200 plus the willingness to sell ten \$10 raffle tickets. Program is held at the club on Sundays from 1:00 pm to 3:00 pm March 17 through May 26, 2024.

If you would like more information on the program and registration please contact Head Coach Andy Woodward at 715-574-2042 or Assistant Coach Tim Kuski at 715-571-4551.

## Did you know . . . .

- We now have Canterbury wireless voice releases on all four of our trap fields. The latest set replaced the wired version that has been on Field 1 for many years. The Field 1 wireless mics were funded by youth shooting.
- We've recently added a second set of shooting stanchions to our 5-Stand fields for increased shooter safety. Special thanks to our members who donated funds, designed, fabricated and assembled these units.
