Log Jam 200 July 19 & 20, 2025 Sporting Clays & Super Sporting Clays

So what's Log Jam 200 all about? It is a 2-day Sporting Clays shoot at Wausau Skeet & Trap Club, shooting 100 targets daily. The course will change on Saturday evening, so expect a new course on Sunday. Registration is \$165 for the 200 targets and includes dinner and entertainment on Saturday evening. \$10 back-to-class money is offered for the overall 200 targets. And, there is an additional \$5 Club added Lewis on each course (Saturday and Sunday).

There is also the opportunity to shoot "Super Sporting Clays" each day. Super Sporting Clays is like a hybrid of Sporting Clays and 5-Stand, but with more variety and complexity. Think of it as Sporting Clays with extra spice – more targets, more choices, and more challenge. Super Sporting will have 3 traps per station versus 2 traps per station as found in Sporting Clays.

Shoot 75 targets of Super Sporting Clays on Saturday and/or Sunday for \$65 per day. \$5 back-to-class is offered each day.

What can top that? WS&TC is offering \$15 back-to-class money for those who shoot the Main 200-bird event, Saturday Super and Sunday Super.

This shoot is registered, however, we encourage all members to participate and support the club. Being a registered shooter is not required. And, doesn't this just sound like a great time?
