Summer Shooting is Here!

We're in the heart of summer shooting practice season. Get ready now for upland bird hunting season by heading to the club with a shotgun or two.

Don't miss those birds this fall!

Hunter Internet Field Day – Saturday, August 16th

The Wausau Skeet & Trap Club is hosting two **Hunter Internet Field Day** classes on Saturday August 16, 2025 – one from 8:00 am to 12:00 pm and one from 1:00 pm to 5:00 pm. Attendance is limited to 20 students per each class.

The prerequisite for the Hunter Internet Field Day is successful completion of the **Hunter Internet Field Day Online Course** – a 4 to 6 hour online course that is free of charge. See <https://dnr.wisconsin.gov/Education/OutdoorSkills/safetyEducation> for additional information on this online course.

Once you have your 9-digit DNR Customer ID number, you can sign up for the **Hunter Internet Field Day** at Wausau Skeet & Trap Club by visiting <https://gowild.wi.gov/customers/safetiedclass>. If you need help signing up for this Field Day, contact Tim Kuski at 715-571-4551.

Late Summer 5-Stand League Begins

Come on out and join our 4-week 5-Stand League, which begins the week of July 28th. Shoot any night, Monday – Thursday, that works for you! Sign up individually. The league form will be available at the Club and online shortly.

Annual Meeting – Thursday, September 11th

Please hold the evening of Thursday, September 11th for our annual meeting. Join us for shooting, the annual meeting, raffles and a social hour with food and beverages. We are trying something new to increase attendance – this replaces our traditional Saturday annual meeting. One of our significant club fundraisers is the \$100 raffle tickets; winners will be selected that evening. Tickets will be available for sale in the near future. (Free shooting on the 11th for those individuals who have purchased a ticket!)

Come on out and learn more about your volunteer club - more information to follow in August!

Administrative Assistance Needed

The Club is seeking a volunteer to assist with ongoing administrative tasks, including the use of spreadsheets and word. This includes tracking and entering membership information, volunteer hours, and other relevant details. Interested in giving a hand? Please contact Sue Sasman at 715-302-1131 or sueandkev@gmail.com.

Join the Heartbeat of the Club

You love to shoot. You love the atmosphere. But did you know that nearly everything that happens at the Club is driven by members just like you?

That's right—our thriving Club isn't run by an outside staff. It's powered by volunteers. Folks who care, pitch in, and keep our rates low and the experience exceptional for everyone. We do have one part-time summer employee, but the soul of the Club? That's you.

What Can You Help With?

Whether you're handy, organized, energetic, or just enjoy good company, there's a place for you:

- **Grounds Crew Heroes** Mow, plow, snowblow, shovel, help out with seasonal cleanups. (Bonus: fresh air and a serious sense of satisfaction.)
- **Trap & Field Champions** Haul targets, maintain traps and houses, clean up shells, take out garbage. (If you like seeing smooth runs and clean setups—this is your zone.)
- **Facility Fixers & Fresheners** Tidy the clubhouse, power wash, paint, handle repairs, stock supplies, and more. (Everything looks better because of you.)
- **Event Rockstars** Cook, help at the counter, assist with registration, marshal shooters, manage parking, coordinate volunteers. (The energy at events is next-level—and you can be part of it.)
- **Administrative Anchors** Help track membership, record volunteer hours, assist with the newsletter. (Behind-the-scenes work that keeps everything moving.)

Why Step Up?

Right now, a small but mighty crew is doing much of the heavy lifting—but they can't do it alone forever. If we want to keep the Club affordable, awesome, and sustainable, it's time to widen the circle. Many hands truly do make light work.

What's in It for You?

- Reduced shooting rates
- Pride in ownership and giving back to a place you love
- Building friendships and camaraderie
- Opportunities to learn and grow new skills
- Knowing you're the reason things run so smoothly

Let us know *what motivates you* and where you'd like to jump in. Whether it's once a month or a little each week, your involvement keeps our Club alive—and thriving.
