## **Badger State Winter Games Trap**

Wausau Skeet & Trap Club once again hosted the trap shooting event for Badger State Games. This is the 5th year of welcoming participants to a Winter and Summer competition. Saturday, March 14, was a sunny, calm day - between the Friday and Sunday storms. KUDOS to the snow removal crew of WS&TC volunteers who spent hours on Friday clearing the parking lot and the fields!

We hosted 61 shooters: 35 Adults and 26 Junior (ages 11-18). The high overall score was 99/100 (by a 16-year-old), followed by 19 more scores at 90 or more.

Several WS&TC members received medals:

Gold Medals: Emmy Johnson, Hunter Smith

Silver Medal: Dan TerMaat

Bronze Medals: Asher Ziebell, Mark Gonyo

Complete results will be posted on the WS&TC website. Many thanks to all our volunteers for supporting this great community event - we couldn't do it without you!!
